

## PRODUCT NAME:

**KAT5 PU Tile Adhesive**  
(Two-Component Polyurethane-Based Tile Adhesive)

## DESCRIPTION

**KAT5 PU** is a two-part modified **Polyurethane multipurpose thin-set adhesive** designed for fixing **all types of tiles and stones**, including **composite engineered stone**, on **interior and exterior surfaces** such as:

- Concrete Masonry
- Brick Masonry
- Cement Mortar Beds & Plaster
- Metal Substrates
- Dry Wall Boards
- Plywood
- All types of wood substrates

It is specifically designed for:

- **Water-sensitive tiles/stones**
- Use on **deformable, absorbent, or non-absorbent** substrates

BJM | TILE ADHESIVE | WATERPROOFING

### ✓ Key Characteristics:

- Highly flexible
- Resistant to water freeze and thermal shock (when fully cured)

### ◆ USAGE

**RAPID BOND PU** is a two-part modified **Polyurethane multipurpose thin-set adhesive** designed for fixing **all types of tiles and stones**, including **composite engineered stone**, on:

- **Interior and exterior surfaces** such as:
  - Concrete Masonry
  - Brick Masonry
  - Cement Mortar Beds & Plaster
  - Metal Substrates
  - Dry Wall Boards
  - Plywood
  - All types of wood substrates

It is ideal for:

- Fixing **water-sensitive tiles/stones**
- Use on **deformable, absorbent, or non-absorbent** substrates

---

✓ **Features:**

- Highly flexible
- Resistant to **water freeze** and **thermal shock** when fully cured

**Disclaimer:** KAYRA construction chemical dry mix products are guaranteed against material and manufacturing defects. The product is sold as per standard terms and conditions of sales, copies of which may be obtained on request. KAYRA's endeavor is to ensure correct and accurate information on product performance and recommended specifications as mentioned in literature, and still may have to abstain from circumstantial deviations which are beyond control due to human intervention, atmospheric conditions or natural calamities which may not be in accordance with any advice, specification, recommendation or information given by it.
